# WHAT WE DO

Conor Greene Carpentry Ltd offers a comprehensive range of carpentry and trade services. Servicing the Midlands, East, and Greater Dublin area, their expertise spans private residential, commercial, and pharmaceutical projects.

Conor Greene Carpentry (CGC), founded by Conor Greene in 2018, is led by an experienced professional well-versed in all aspects of carpentry and construction. The addition of Niall Miller as a director in 2019 has enriched Conor Greene Carpentry Ltd with extensive practical knowledge acquired through diverse construction projects.

This expertise likely contributes to the company's ability to provide high-quality services in the field. The team is experienced in adhering to strict health and safety procedures, ensuring quality work in various sectors.

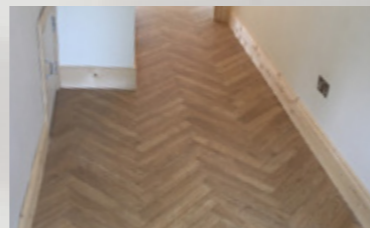

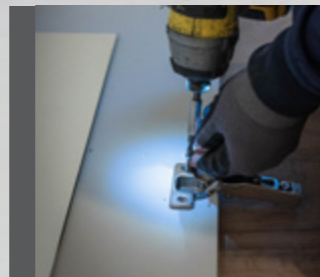

Conor Greene Carpentry Ltd demonstrates versatility by working with both small building contractors and some of Ireland's largest construction firms. The emphasis on fostering strong working relationships with principal contractors reflects a commitment to collaboration and professionalism within the industry.
